

The Future Together

LUNAR)22

As part of its global growth strategy, **Lunar 22** is expanding into the Kingdom of Saudi Arabia, the GGC and Asia, from its base in Hollywood Los Angeles, America with a focused mandate on high-quality children's and family entertainment. The company is developing culturally respectful, imaginative, and educational content that aligns with local values and storytelling traditions while meeting international broadcast and platform standards. This strategic expansion underscores a long-term commitment to nurturing creativity, family-friendly IP, and next-generation franchises tailored for audiences across the Kingdom, the wider region and globally.
